

CABLE TIE EXPRESS

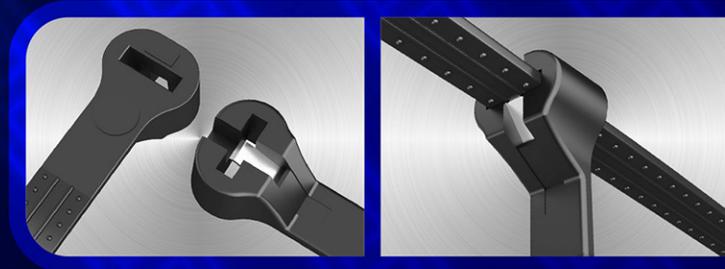

PROUDLY CELEBRATING

TYING SERVICE TO QUALITY SINCE 1995

steel tooth cable ties

- non-hygroscopic stainless steel locking device, delivering maximum strength that extends the useful life in a wide range of applications
- smooth, notch-less body that reduces the number of stress points with raised stipples that grip the bundle and prevent slipping

extra durable and extra strong, with unlimited adjustability through its total bundle range

PART NUMBER	COLOR	TENSILE	LENGTH	WIDTH	BAG QTY
